

Online Workshop

Open Science

Reproducibility – Data Sharing – Practical Aspects

2nd of July, 2020 **online only**

PROGRAM

Keynote and live discussion

The live part of the workshop takes place via Zoom. We are happy to present a live keynote by Prof. Dr. Ewout Steyerberg. The keynote will be followed by a moderated Zoom discussion, providing ample opportunity for questions and exchange.

- 10:30 -10:40 Welcome
- 10:40 -11:20 **Keynote: „Open Science for Research Questions, Data, and Analyses“ | Prof. Dr. Ewout Steyerberg**
- 11:20 -12:15 Discussion

Zoom link: <https://t1p.de/87p0> (Meeting-ID: 932 6516 9786, Password: 448315)

Ewout W. Steyerberg is a Professor of Clinical Biostatistics and Medical Decision Making at Leiden University Medical Center and a Professor of Medical Decision Making at Erasmus Medical Center, Rotterdam. He has been Chair of the Department of Biomedical Data Sciences at Leiden University Medical Center since 2017. He has interest in a wide range of statistical methods for medical research but is mainly known for his seminal work on prediction modelling.

Input talks (asynchronous, recorded)

These talks provide an introductory overview over a range of Open Science topics and are presented by members of OSIM and the LMU Open Science Center. Each talk is about 15 minutes and is available on OSIM's YouTube channel: <https://t1p.de/j6fr>

- Why Do We Want Open and Reproducible Science? | Prof. Dr. Nikolaus Plesnila
- Publication bias, HARKing, and P-Hacking. What is That? | Prof. Dr. Anne-Laure Boulesteix
- What is Open Science and the Open Science Center? | PD Dr. Felix Schönbrodt
- Open Science and Data Protection | Dr. Urs Heilbronner
- Data Management | Prof. Dr. Ulrich Mansmann
- Practical Steps Towards Open Science | Dr. Heidi Seibold
- Preregistration | Dr. Xenia Schmalz

This event is hosted by the LMU Open Science Initiative in Medicine (OSIM)

<https://www.osc.uni-muenchen.de/members/osim/index.html> and supported by the LMU Open Science Center.
